

Competitive Upgrade Rebate

**UPGRADE TO NEOPTIX
AND GET UP TO
1000 \$US
FOR YOUR OLDER
EQUIPMENT**

Neoptix offers the opportunity to exchange your fiber optic temperature sensors equipment, in working condition or not, for a brand new Neoptix system.

Rebate is 800\$US in exchange of a 1 to 3 channel system and 1000 \$US for a 4 channel and more. This offer is available in exchange of any Nortech-Fibronic*, Luxtron*, Takaoka*, Fiso* or Photonetics* instrument. Rebate can be redeemed towards any equipment from Neoptix. It ends December 31st, 2010.

How to proceed:

To receive your Competitive Upgrade Rebate, please follow the steps below:

Calculate your credit

Neoptix will give a credit towards any of our products depending on the unit returned:

Instrument returned:

1 to 3 channel instrument (any brand) = 800.00 \$US Credit

4 or more channel instrument (any brand) = 1000.00 \$US Credit

For example: If you return a Luxtron 790, Neoptix will credit 1000\$US on any new Neoptix instrument like a Reflex 1 to 4 channels. If you already have a Neoptix instrument, it can be deducted on the purchase of accessories like probes, patch-cord or even a transport case.

Complete the Competitive Upgrade Rebate form

Complete the following form and enclose a copy with the instrument you send to Neoptix. We will deduct your credit on the invoice of the equipment bought directly.
